ALISON UNDERGAN GRIMES  
SECRETARY OF STATE  
COMMONWEALTH OF KENTUCKY  
BY R. Adles

1 AN ACT relating to suicide prevention training.

2 *Be it enacted by the General Assembly of the Commonwealth of Kentucky:*

3 ➔SECTION 1. A NEW SECTION OF KRS CHAPTER 210 IS CREATED TO  
4 READ AS FOLLOWS:

5 (1) As used in this section:

6 (a) "Board" means the Kentucky Board of Social Work, Kentucky Board of  
7 Licensure of Marriage and Family Therapists, Kentucky Board of Licensed  
8 Professional Counselors, Kentucky Board of Certification of Fee-Based  
9 Pastoral Counselors, Kentucky Board of Certification of Alcohol and Drug  
10 Counselors, Kentucky Board of Examiners of Psychology, and Kentucky  
11 Board of Licensure for Occupational Therapy; and

12 (b) "Training program in suicide assessment, treatment, and management"  
13 means an empirically supported training program approved by the boards  
14 that contains suicide assessment including screening and referral, suicide  
15 treatment, and suicide management. A board may approve a training  
16 program that excludes one (1) of the elements if the element is  
17 inappropriate for the profession in question or inappropriate for the level of  
18 licensure or credentialing of that profession based on the profession's scope  
19 of practice. A training program that includes only screening and referral  
20 elements shall be at least three (3) hours in length. All other training  
21 programs approved under this section shall be at least six (6) hours in  
22 length.

23 (2) Beginning January 1, 2015, each of the following professionals certified or  
24 licensed under KRS Title XXVI shall, at least once every six (6) years, complete a  
25 training program in suicide assessment, treatment, and management that is  
26 approved, in administrative regulations, by the respective boards:

27 (a) A social worker, marriage and family therapist, professional counselor, or

- 1       fee-based pastoral counselor certified or licensed under KRS Chapter 335;
- 2       (b) An alcohol and drug counselor certified under KRS Chapter 309;
- 3       (c) A psychologist licensed or certified under KRS Chapter 319; and
- 4       (d) An occupational therapist licensed under KRS Chapter 319A.
- 5       (3) (a) Except as provided in paragraph (b) of this subsection, a professional listed  
6       in subsection (2) of this section must complete the first training required by  
7       this section by July 2016.
- 8       (b) A professional listed in subsection (2) of this section applying for initial  
9       licensure or certification on or after the effective date of this Act may delay  
10       completion of the first training required by this section for six (6) years after  
11       initial licensure or certification if he or she can demonstrate successful  
12       completion of a six (6) hour academic training program in suicide  
13       assessment, treatment, and management that:
- 14       1. Was completed no more than six (6) years prior to the application for  
15       initial licensure or certification; and
- 16       2. Is listed on the best practices registry of the American Foundation for  
17       Suicide Prevention and the Suicide Prevention Resource Center.
- 18       (4) The hours spent completing a training program in suicide assessment, treatment,  
19       and management under this section count toward meeting any applicable  
20       continuing education requirements for each profession.
- 21       (5) A board may, by administrative regulation, specify minimum training and  
22       experience that is sufficient to exempt a professional from the training  
23       requirements in subsection (2) of this section.
- 24       (6) (a) The cabinet shall develop a model list of training programs in suicide  
25       assessment, treatment, and management.
- 26       (b) When developing the model list, the cabinet shall:
- 27       1. Consider suicide assessment, treatment, and management training

1                   programs of at least six (6) hours in length listed on the best practices  
2                   registry of the American Foundation for Suicide Prevention and the  
3                   Suicide Prevention Resource Center; and

4                   2.   Consult with the boards, public and private institutions of higher  
5                   education, experts in suicide assessment, treatment, and management,  
6                   and affected professional associations.

7                   (c)   The cabinet shall report the model list of training programs to the Interim  
8                   Joint Committee on Health and Welfare no later than December 15, 2014.

9                   (7)   Nothing in this section may be interpreted to expand or limit the scope of practice  
10                  of any profession regulated under KRS Title XXVI.

11                  (8)   The cabinet and the boards affected by this section shall adopt any administrative  
12                  regulations necessary to implement this section.
